My Stamping Rewards Program is my way of thanking you my customers for your business.

The program is very easy – you will earn either \$25 or \$50 in FREE products depending YOU. Once you have earned 5 Sapphires within 6 months you can redeem them for a \$25 shopping spree with me. Or you can work to earn 10 Sapphires within a year and earn a \$50 shopping spree. To earn Sapphires – place and order with me - online, in person, or via email.

- For every \$50.00 (before shipping and tax), you earn 1 Sapphire. (A product order of \$49 would not qualify for a Sapphire. However, an order of \$101 would qualify for TWO Sapphires, etc.)
- Individual orders may NOT be combined to attain a Sapphire (1 Customer per Form)
- Product orders of \$150 or more still earn hostess rewards from Stampin' Up! and Sapphires!
- You are responsible for tracking your orders and your Sapphires.
- When your form is full – send it to me and I'll confirm your orders and order your free product.
- You may choose **up to \$50 in current Stampin' Up! products. You cannot exceed \$50 and pay the difference.**
- Points expire after one year from the First Order noted.
